**Alumni survey**

*Dear Sir/Madam,*

*◆◆◆Greetings from Aeronautical Engineering department, Kalaignar Karunanidhi Institute of Technology◆◆◆*

*A crucial step in this procedure is to frame vision, Mission, objectives and programme outcomes of our Aeronautical programme. PEO's are broad statements that describe what graduates are expected to attain within a few years after graduation. In an effort to generate insights into institutional quality improvements, we have prepared a short survey to acknowledge your experiences and satisfaction on such aspects as academic experiences, student experiences and to assess how alumni are transitioning from academic life to career life. I highly appreciate your valuable feedback which may provide us with statistical information for the further enhancement of our programme. Thank you in advance for providing us with an honest and detailed response. Please fill individual forms as alumni.*
