

Respected dignitaries on and off the Dias; Good morning to all

On behalf of the management, I extend a very warm welcome to each one of you to this 13th Annual day. As KIT steps in 14th year, it is my privilege to review our remarkable journey of growth during 13th year.

KIT was established under VijayalakshmiPalanisamyCharitableTrust by our beloved chairman Pongalur .N. Palanisamy in the year 2008 with 4 UG courses and the student strength of 240. At present we have the student strength of 1940 with 10 UG and 7 PG courses.

KIT is affiliated with MRC, Established NCDRC, MoU with Eastern Michigan University, Recognized research center of Anna university in CHEMISTRY, ECE, EEE & MECHANICAL, and Remote centre of IIT Bombay.

I am very happy to inform KIT Achievements

- KIT achieved 100 % enrolment in TNEA counselling in AY 2020-21
- Faculty Achievements
 - 18 SCI Journals, 34 Scopus Indexed Journals, 11 UGC Journals and 20 Book Chapters
 - 4 Grants received from AICTE, SERB etc with total worth of 2.37 lakhs
 - 16 patents filed
- Students Achievements
 - Smart India Hackathon- MHRD with 1 lakh cash award
 - The Institution of Engineers (IE(I)) Award
 - Prizes won at Indo-European Entrepreneurial Hackathon – (IEE-Hacks2020)
 - Exceptional Achievements at Toastmasters International
- Best National Innovative Project - IIT Alumni Association
- 6 Memorandum of Understanding have been signed with leading Industries for providing internships and the research work for students and faculty members. Name few, Apcomart Private Ltd, Bangalore, Escorts Limited, Bangalore, Jain Irrigation Systems Ltd, Coimbatore, Ashok Leyland Ltd., Chennai, Here Technology India Private Ltd. and Choice Equity Broking Pvt Ltd, Coimbatore

Placement

I wish to thank our Training and placements officer and all Department staff placement co-ordinators for their continuous support and assisting the students to inbuilt their skills to be placed in reputed companies. I am happy to inform that Campus placement in KIT is excellent. For 2021 graduation

batch 558 job offers were made and 108 companies like Infosys, TCS, CTS, TECH MAHENDRA , L&T, CUB, AMPERE VEHICLES participated in recruitment process, all eligible and interested students are placed.

Our Institution encourages and motivates the students and faculty members to participate in various conferences, guest lectures, seminars, workshops and symposiums to enhance their technical knowledge and get wide professional exposure. Here is the glance of participation.

- **329** Students participated in **Co-curricular events**
- **21** Students won prize in **Co-curricular events**.
- **138** Students published research papers in conference and journals (NA)
- For industrial exposure and experience **159** Students completed in-plant training & internships
- Faculty members Participation in various events **383**
- **78** Industrial projects by final year students

I would like to express my sincere thanks and appreciation to our esteemed HoD's, staff members for their dedicated and relentless effort which has enabled us to reach higher milestones.

I take this opportunity to express my sincere gratitude to vice chairperson & executive trustee for their immense support and guidance.

KIT Centre of Excellences bridges the gap between industry & academia through Industry ready certificate courses. I am happy to say that KIT has the international toast master club. It enhances communication skill, public speaking skill & leadership qualities of students.

As a part of **Institutional Social Responsibility**, many programmes has been organized for the welfare of the society to name a few

- Vijayalakshmi Palanisamy Charitable trust has offered scholarship of ₹ 4.21 crores for the benefit of 1,589 students.
- Covid -19 Free Vaccination camps conducted for general public and faculties of KIT on 24 .05.2021 and 26.08.2021
