

INSTITUTIONAL DISTINCTIVENESS (AY-2020-2021)

The driving force, the vision of the institute is " To shape the institution into a globally renowned centre for education and research in engineering, technology and management. We aim to foster pragmatic, ingenious ideas that would help in the advancement of the individual and the society.

The institute strives in making students adopt right attitude, understand and contribute to the socio-economic development & welfare of the society. The institute is contributing to the development of the nation by capacity and character building of the students. The institute takes lead in serving the society and in inculcating those values in the minds of young generations and imbibing in them, the required qualities to make an honourable living in the society.

- Contributed Rs.25 lakhs to the Chief Minister Relief fund for the victims of Covid-19.
- Contributed rice bags and other accessories to the welfare of the poor and needy in the nearby locality during lock down period.
- Offers "POOR & MERIT Scholarships" to help the students in pursuing graduation. They are, in turn, requested to help the poor, in future.

1. NSS activities:

The institute, through NSS unit organized various activities to help the society and to inculcate the service motto in the students.

Some of the activities during last 5 years:

- Participated in Plantation programs organized by the college or the government.
- Conducted awareness programs on "Swatch Bharat Mission" theme & rally on voter enrollment, no plastics, etc.
- Rendered services at Pattinam and Peedampalli villages.

2. NCC activities:

The NCC unit of the college provides services to the society. The NCC Unit organize various activities and preparing students to contribute to development of the society.

NCC cadets participated in

- Awareness programs on plantation, Swachh Bharat, Yoga day.
- Blood donation camps to donate blood and helped the people.
- Cleaning of streets, drains, statues, wall paintings and monuments.
- Cleaning of railway station.

3. Departments and Institute activities:

- The Electrical and Electronics Engineering Department organized awareness programs on energy conservation and the use of technology in nearby villages.

The successful career of the students, the name and fame of the institute, public opinion and the demand of the college are the testimonies for the distinctiveness of the Institute.
